

Covid-19 guidelines at International People's College – Spring Term 2021

Phase	Steps/actions	Remarks/Clarifications
<p style="text-align: center;">Prior to arrival</p> <p style="text-align: center;">STUDENTS</p>	<ol style="list-style-type: none"> 1. Students will have a PCR test done in their home countries (or in Denmark if they are resident in DK) within 72 hours prior to their arrival on campus. For some airlines to have the PCR test done is a requirement for boarding and a document proving that the test has been negative will be required. 2. Students arriving by plane should also be tested upon arrival to Denmark (testing facility in Copenhagen Airport). 3. Following Danish government regulations, the use of face masks is mandatory at CPH airport, all public transport and in all public places. 4. IPC will provide a letter to students & immigration authorities explaining that IPC is open and running, 5. Precondition for being allowed as a student is that the student has no symptoms that potentially could be Covid-19 related. 6. Students belonging to a well-defined risk group will identify themselves upon arrival (in addition to the mask, 2 meters social distance will be mandatory) 7. If a student or staff member has been in contact with a contaminated person e.g. in the near family, he/she will be tested and will self-isolate for 7 days after the test have been taken. 	<p>IPC will obtain a letter from the Danish police acknowledging a folk high school stay as a justified reason for re-entering the country.</p>

<p>Prior to arrival</p> <p>Hygiene at IPC</p>	<p>8. Single or double rooms will be made available for all students</p> <p>9. Rooms and common facilities will be professionally cleaned/disinfected. Fresh & clean linen, duvets and pillows will be provided</p> <p>10. Doors to common areas will be permanently open to limit the touching of handles. Doors to dining hall will be always locked outside mealtimes</p> <p>11. Hand sanitation stations will be set up all around the school</p> <p>12. Students, teachers and IPC staff will wear face mask all the time while moving around the school and will keep 1-meter distance.</p>	<p>The hand sanitation stations will be available in:</p> <table border="1" data-bbox="1485 288 2103 746"> <tr> <td>√ all corridors</td> <td>√ classrooms</td> </tr> <tr> <td>√ computer room</td> <td>√ common room</td> </tr> <tr> <td>√ lecture hall</td> <td>√ big hall</td> </tr> <tr> <td>√ dining hall</td> <td>√ student kitchen <small>(new provisional SK)</small></td> </tr> <tr> <td>√ HR Café</td> <td>√ Music room</td> </tr> <tr> <td>√ Manor house entrance</td> <td>√ Entrance A & B</td> </tr> <tr> <td>√ Library</td> <td>√ Arts & Crafts</td> </tr> </table> <p>Hand soap will be always available in all toilets/bathrooms.</p>	√ all corridors	√ classrooms	√ computer room	√ common room	√ lecture hall	√ big hall	√ dining hall	√ student kitchen <small>(new provisional SK)</small>	√ HR Café	√ Music room	√ Manor house entrance	√ Entrance A & B	√ Library	√ Arts & Crafts

<p>Upon arrival</p> <p>STUDENTS</p>	<p>13. Students will arrive and go directly to the designated reception area wearing the mandatory face mask (Lecture Hall)</p> <p>14. Arriving students will fill in the questionnaire attached to this document before receiving the keys to their rooms</p> <p>15. IPC will make sure that all students (including those arriving by land) have been tested in Denmark.</p> <p>16. Students will be able to freely move in common areas (indoors & outdoors) as long as they wear a mask, and they keep a 1-meter distance (from all sides) to each other and all IPC staff. In relation to students and IPC staff belonging to a risk group the social distance will always be 2 meters.</p> <p>17. No alcohol will be allowed until Friday 22nd of January from 7 pm.</p> <p>18. After that date drinking alcohol in a responsible way will be allowed mainly Friday & Saturday evenings.</p>	<p>An info-session on Covid-19, contamination risk, precautions, hygiene, etc. will be held for all students together with a thorough presentation of this strategy. Information about precautions and hygiene will be repeated on a weekly basis in different forms and will be summarized and visible in Common Room Info Screen</p>														

<p>Daily operations</p> <p>CLASSES & ACTIVITIES</p>	<p>19. IPC will make sure that each student has a minimum of 1 meter around her/him in classes and during all organized activities run in IPC premises. In case of students belonging to a risk group the space around him/her will be 2 meters.</p> <p>20. Tables, chairs, classroom equipment etc. will be disinfected by students and teachers once the lesson is over</p> <p>21. Teachers area in classrooms - Teachers will have a defined (marked) “student-free” area in each classroom. The distance between the teacher’s area and the first row of students will be 2 meters distance.</p> <p>22. There will be a 10 minutes break in the middle of each teaching session. During that break, windows and doors of the classroom will be opened for ventilation.</p> <p>23. All staff members will stay at a distance of min. 1 meter from students. In case of staff belonging to a risk group, the distance will be 2 meters.</p> <p>24. Only 1 student at a time will be allowed to be in the reception area of Manor House and always wearing the mandatory face mask</p> <p>25. Interaction between different groups of staff members will be limited.</p>	<p>Maximum number of people per classroom/room</p> <table border="1" data-bbox="1509 363 2085 821"> <thead> <tr> <th>Classroom/room</th> <th>People</th> </tr> </thead> <tbody> <tr> <td>Lecture Hall 105 m²</td> <td>80</td> </tr> <tr> <td>Big Hall 190 m²</td> <td>110</td> </tr> <tr> <td>Cl. 2 34 m²</td> <td>26</td> </tr> <tr> <td>Cl. 3 26 m²</td> <td>12</td> </tr> <tr> <td>Cl. 5 52 m²</td> <td>30</td> </tr> <tr> <td>Computer R. 26 m²</td> <td>12</td> </tr> <tr> <td>Cl. 6 34 m²</td> <td>18</td> </tr> <tr> <td>Cl. 7 26 m²</td> <td>9</td> </tr> <tr> <td>Human Rights Cafe</td> <td>17</td> </tr> <tr> <td>Secondhand shop</td> <td>10</td> </tr> <tr> <td>Students Kitchen</td> <td>8</td> </tr> <tr> <td>Party room</td> <td>Closed down</td> </tr> </tbody> </table> <p>Outdoor classes and activities are most welcome.</p> <p>Manor House reception protection: plastic protection panel in the counter. European Cor: 19 people 2. African Cor. 23 people 3. Asia/Middle East Cor. 18 people 4. North/South Am. Cor 22 people 5. Antar/Aus Cor. 19 people (including 2 volunteers)
---	--	--

<p>Daily operations</p> <p>HEALTH ISSUES (STUDENTS)</p>	<p>52. Students who experience symptoms of illness will self-isolate immediately.</p> <p>53. If symptoms increase or continue for more than 2 days, IPC will arrange for a visit to the doctor.</p> <p>54. Self-isolation will continue 48 hours after being symptom-free.</p> <p>55. If a case of Covid-19 is suspected or identified the student will move to one of the isolation rooms to live in isolation. Meals will be brought to the unit at mealtimes served on disposable tableware</p> <p>56. If it is confirmed by a test that a student is infected, all his family group will be tested and will go in self-isolation for 7 days after the test have been taken.</p> <p>57. Contaminated students will remain in isolation 2 days after being free of symptoms.</p> <p>58. If a student has been in contact with a contaminated person, he/she will be tested and will self-isolate for 7 days after the test have been taken.</p>	<p>Isolation rooms: room 60 and Meditation room</p> <p>If needed, the school will take care of the transportation of the student to medical center or hospital under safe circumstances wearing protection mask and ensuring maximum ventilation.</p> <p>The contaminated person will be in contact with the school via phone or social media.</p> <p>In case of aggravation of the student’s condition the contact teacher and all staff will be notified for further action.</p> <p>Note: government guidelines say that if a student has symptoms, the priority is that the student goes back home in self-isolate there. If going back home is not possible the self-isolation will take place at the school</p>
--	--	--

<p>Daily operations</p> <p>HEALTH ISSUES (STAFF)</p>	<p>59. Staff members experiencing symptoms of illness will leave the school and self-isolate immediately</p> <p>60. Self-isolation will continue 48 hours after being symptom-free.</p> <p>61. The school has to be notified immediately and potential victims of contamination will be identified for self-isolation.</p> <p>62. If symptoms increase or continue for a longer period, the staff member in question will arrange for a test and go in self-isolation for 7 days after the test has been taken.</p>	<p>IPC will provide the masks (IIR type) and/or face shields (visir) to all staff.</p>
<p>Daily operations</p> <p>HEALTH ISSUES (STAFF BELONGING TO A RISK GROUP)</p>	<p>63. In relation to the working conditions of staff belonging to a risk group or living with a family member that belongs to one of the risk groups:</p> <ul style="list-style-type: none"> a. Students will be officially informed about staff members belonging to a risk group. b. 2 meters distance will be always respected by students and colleagues. c. Further measures will be taken in specific cases upon request from the staff member. 	

Your name (in CAPITAL letters): _____

Date and time: _____

Please reply to the following questions

1. How have you travelled to IPC?

- By plane
- By private car
- By train
- By plane and public transport from the airport
- By plane and private car from the airport
- Other (please describe)

2. Were you tested in your home country prior to your departure to Denmark?

- Yes – please write the date of your test (DD/MM)
- No
- Result of the test
 - Negative
 - Positive

3. Were you tested in Copenhagen Airport upon your arrival to Denmark?

- Yes – please write the date of your test (DD/MM)
- No

4. Do you have any symptoms that can potentially be Covid-19 related?

- No
- Yes (if yes, please contact immediately one of the teachers)

5. Do you belong to a well-defined risk group?

- No
- Yes. If yes, to which one?

6. In the last 2 weeks, have you been in contact with people (family, friends or others) that have been contaminated by Covid-19?

- No
- Yes. If yes, please explain when, how and where
